Library Search: Search Everything at Once!

Library Search is a tool that allows you to search a majority of the library's physical and electronic resources using one simple search box. Your results can include full-text articles, books, e-books, DVDs, and online videos.

Just type in a word or phrase.

You can then limit your results by using the options on the left side of the results screen.

Once you click on a title or \[PDF Full Text\] you have the options to

When you choose Email, you can opt to have the APA or MLA citation included in the email!
